

Call for Applications for an Assistant Professor
Faculty of Computer Science and Systems Engineering,
Kyushu Institute of Technology

1. **Number of positions:** One assistant professor position
2. **Affiliation:** Department of Bioscience and Bioinformatics

URL: <http://www.iizuka.kyutech.ac.jp/>

3. Outline:

The department of bioscience and bioinformatics, school of computer science and systems engineering, Kyushu institute of technology (Kyutech), a Japanese national university, established in 1907 in the city of Kita-Kyushu, invites applications for a position in the field of bioscience and bioinformatics at the Assistant Professor level. We seek to hire an individual who is a leading-edge researcher in mainly experimental and analytical studies of highly organized functions and architectures of life such as cells, tissues, organs and the whole organisms.

4. Content of work:

- [1] To research a leading-edge field of Bioscience and Bioinformatics, especially experimental studies of highly organized functions and architectures of life such as cells, tissues, organs, and the whole organisms.
- [2] To educate the undergraduate students concerning experimental techniques.
- [3] To assist graduate/undergraduate education and research with a professor whose research is interesting
- [4] To help entrance examination.
- [5] To carry out management and administration duties as a university academic staff

5. Qualification:

- [1] To have a Ph.D. or equivalent degree, or expect to obtain the degree by the starting date
- [2] To have the ability and enthusiasm to take the education and research.
- [3] To have the ability of Japanese to manage university duties.

* The institute values diversity and is committed to equality. Female researchers are encouraged to apply.

6. Period: Permanent position

7. Starting date: As soon as possible after August 1st, 2014

8. Application documents:

[1] Curriculum Vitae

Photo attached, Birth date, Nationality, Present address, Telephone number for contact, e-mail address, Educational history (after high school graduation), Work experience including education/training history, any qualifications (licenses), Honors, Social activities, Others
