

IFSM Young Scientist Assembly (YSA/ECR) 29 - 30 August 2026

The IFSM Young Scientist Assembly (YSA/ECR) brings together 50 early career scientists recognised for their achievements and IMC21 abstract submissions.

It provides a great opportunity to:

- Participate in round-table discussions with IMC21 plenary speakers, including Q&A sessions.
- Connect with discipline leaders to discuss career planning and development.
- Network with fellow early career researchers and future leaders.

This programme is open to all Ph.D. students and researchers who have completed their degree within the five years prior to IMC21. Please note that you must have at least one abstract accepted into the IMC21 Congress Programme to be eligible for the Young Scientist Assembly (YSA/ECR).
